**Form 990, Part III, Line 1 - Organization Mission**

The Sportsman's club was organized in 1948 by a group of like-minded individuals who wanted to educate the general public about the safe handling and use of firearms. It was later incorporated in 1962 and is dedicated to firearms safety education as a public service, marksmanship training as a contribution to individual preparedness for personal and national defense, and the sports of shooting, hunting, and fishing as wholesome forms of recreation.

**Form 990, Part III, Line 4a - Program Service Accomplishments**

Participation, operations, and membership levels have rebounded to pre-pandemic levels due in part to management efforts, the training manager, and a dedicated cadre of instructors. The mix of participants remained similar to previous years, but the programs and classes we are promulgating have generated additional interest for members and potential members.

During 2023, the Personal Protection Outside the Home class was introduced and well received. The Ladies Only Night program continues to be successful. The Junior team sponsorship has continued, and members have placed highly in local and national competitions. The classrooms continue to be well used and have a high occupancy factor. The indoor high-power range has been successful with good utilization.

Volunteer range safety officers, instructors, board members, and others provided over 10,000 volunteer labor hours to the organization at a value of over \$313,400.

**Form 990, Part III, Line 4b - Program Service Accomplishments**

Competition and training classes were offered an average of once per week. Both formal and informal classes were offered. We continue to develop new classes to add to the offerings. The State of Alaska Hunter Education Program classes are also

offered and have been well attended.

Over 315 people were trained in both formal and informal training classes. The classes given provided training from introduction to firearms through advanced personal defense. Training also included Range Safety Officer Training, Chief Range Safety Officer Training, a metallic cartridge reloading class, and a Refuse To Be A Victim class. A total of 44 classes were provided in 11 different disciplines. In 2023, 97 people were trained under the State of Alaska Hunter Education Program in 8 different classes.

**Form 990, Part III, Line 4d - Other Program Services Description**

Government agencies use of the range. This program provides an opportunity for specialized training by a government agency through curricula that are developed by the agencies to meet their unique training requirements.

The gaming program has been successful. Income from the program exceeds expenses. We have supported other non-profits in their gaming programs with positive results. A bingo parlor has played our permit. A variety of raffles have been held.

**Form 990, Part VI, Line 11b - Form 990 Review Process**

A formal policy is in place requiring the Governing Board to review and approve the 990 prior to signature by the President. Approval to submit the 990 is reflected in the minutes of the meeting of the board. The completed return is provided to each member of the board early enough for each member to complete a thoughtful review of the document.
